

Bobby Morgan

Transformational Speaker & Educational Consultant

Bobby Morgan is more than just a speaker - he's a catalyst for visionary change within education. With a fervent dedication to igniting transformative shifts, Bobby empowers audiences to boldly step into their educator roles and disrupt, impacting the world. Drawing from over fifteen years of immersive experience in education, Bobby's journey spans diverse roles, including school board, dynamic administration, and impactful teaching. His expertise is rooted in real-world engagement, making his insights relatable and impactful.
